HIGH-GRADE, WESTERN GROWN NURSERY STOCK

OUR TERMS.

We do a strictly cash business and carry no charge accounts. Owing to the large amount of labor in keeping account of small entries, we find it necessary—without regard to financial standing—to ask our customers to send the amount of their order in advance.

Every purchase is guaranteed absolutely satisfactory. It gives us pleasure to refer new customers to the U. S. National Bank of this city regarding our financial responsibility.

Prices apply on all varieties listed and described in catalog, except where otherwise noted.

Six or more trees or plants of a kind may be selected at the dozen rate, 50 or more at the 100 rate, and 500 or more at the 1000 rate. **Example:** Six Apples, Six Currants, 50 Raspberries, 500 Catalpa Seedlings, etc. Privilege allowed of selecting different varieties where the varieties selected are all sold at one and the same price.
